

Greetings to all our Desert Quail Tolerers!

As our weather becomes cooler and darkness falls earlier in the late afternoon, I am welcoming in the month of October with excitement! It means that our Holiday Boutique is fast approaching (October 25th-26th) and our Christmas Party Mystery Paint-in (November 23rd) will be here before we know it. I love this time of year because it is filled with activities and get-togethers shared with cherished family and friends.

Many thanks to Heidi Allison for a fabulous class at our September meeting. We appreciate your gentle yet informative approach to teaching us the many techniques you use. And...to think that you were base coating our surfaces and preparing for the class during your recent vacation to Hawaii! Amazing! The red scooter ornament was a hit with those who participated. If you haven't already RSVP'd for our October 22nd project, don't delay. You have until October 14th to do so. Sue Clark will be teaching three (3) heart ornaments, Springtime Snowies, designed by Lynne Andrews. I'm sure we're in for an evening of giggles and learning with Sue. She always makes our classes so enjoyable.

Remember, we have some deadlines for everyone to meet as we approach the end of the year:

First, we ask that all our members donate baked goods for our Granny's Pantry at the Holiday Boutique. They may be given to Jeannetta ahead of time or brought to the boutique on set-up day, October 24th. Whichever is easiest for you. These items should be yellow tagged (available from Becky or Jeannetta) and should have it noted if the items contain nuts. This is a fundraiser for our Chapter so your donations are greatly appreciated.

Next, Janet Mitchell is collecting our 2020 DQT dues. These need to be paid by our December meeting. Our dues are \$10. Don't forget to also complete a NEW membership form even if your information remains the same. Members also need to complete their 2020 SDP membership and provide Janet with a copy of their invoice from SDP once these dues are paid. She will also accept a copy of your current 2019 SDP membership card.

Last, remaining spaces for our Christmas Party Mystery Paint-in on November 23rd are LIMITED so get your reservations in to Beth Murena as soon as possible. The cost is \$25.00 per person. This will prove to be a day full of learning, celebration, and fun. I hope to see you there! Please also remember that since our Christmas Party was moved to November, this replaces our monthly Chapter meeting. Instead, we will meet on December 3rd with Janet Mitchell as our teacher. Mark your calendars now.

Whew! I'm exhausted just thinking about all the activities we have scheduled to close out 2019. Busy times are ahead of us. I hope to see you all soon!

Blessings,

Carol

Helpful Tips

Never use regular typing carbon to transfer a pattern onto your piece. It smears easily and will resist the paint.

Never allow your brushes to “soak” in any liquid for any length of time. Soaking will weaken the glue in the ferrule and will also damage the hairs.

If you find a dent in a wooden board, it may sometimes be fixed by putting a drop of water on it and lightly touching the wood with a steam iron to raise the spot.

If you find that your bottle of paint has lumps, stretch a small piece of panty hose over the bottle opening and put cap on. The panty hose will catch lumpy paint.

Keep an eye dropper in your paint supplies. It is a great tool to add the exact amount of paint to thin your base-colors. Remember, Jeannetta taught us to thin the base colors so we get a smooth basecoat.

If you stain the back of your wooden pieces like I do, be sure to stain before you apply front and side base-coating.

Keep a small spray bottle of distilled water to lightly mist your acrylic paints if you find that they are drying too fast due to ceiling fans or weather conditions.

Applying paint name labels on the top of the bottles, saves a lot of time finding them if you keep them in a paint carrier. [Contact Rosanne Scholey to place an order.](#)

Do you want to spatter the background on a piece that has been painted? Make a copy of the original pattern and cut out the areas from the pattern that you want to protect. Lay the cut outs over your dry painting and spatter away.

If your drawing a straight line with your Identi® pen or micron, tape some pennies to the underside of the ruler, that way the ink will not run under and smear.

Use a compass to draw boarder lines on boxes or plates. This way you can adjust the width and get a clean line.

If you have inked your project, be sure to let it dry for 24 hrs. Then lightly mist, 12 in. away with Matte Spray Finish. I apply several light coats, letting each coat dry in between.

You can sand in between coats of varnish with a piece of brown paper bag. This paper is finer than 600 grade sandpaper and will not rough up the surface.

2020 Project Cost: A lengthy discussion was held regarding a possible increase in project costs for the coming year. With expenses going up and attendance dropping, something needs to be done to offset these increases; possibly limiting donations was an option brought up for discussion. October 19, 2019 Today's Woman Event: Janet noted that there would be a car show on October 19 from 10 am to 3pm and Today's Woman would have a booth there.
