## PRESIDENTS MESSAGE—Janet Mitchell

Can't believe it is March and what wonderful weather we are having. I had a fantastic time at the Vegas Convention with a friend from Tennessee., Jennifer Hedrick's. Jennifer was president of Desert Quail Tolerers in the 90's and came out to visit and we took some great classes . Tole painters are a friendly group of women and friendships made, last forever.

If you took classes in Vegas, please bring them to the next meeting, so we can all enjoy them.

This month we will be painting on glass, Dorothy Patton will be teaching for Lynda McLain who is recovering from a broken arm. Make sure you RSVP to Sue Clark or Diana Van Riel.

Also don't forget you egg for the egg exchange.

Janet

**Easter Egg Exchange—**

We are having our egg exchange this year and it will be held at the March meeting. DQT has purchased the eggs for people interested in participating. We had a great turnout last year and would love to have as many if not more this year. Eggs will be available at the February meeting but if you want to get in earlier they are available at Kreative Klutter. All participants will go home with a different egg then they came with. The eggs will be voted on by the participating members. The egg with the most votes will get a \$25 gift certificate to Kreative Klutter. All we ask is you paint the egg at least 75%. Added items are wonderful but we all love the painted eggs. If you get an egg and don't paint it you will be responsible to reimburse the club \$6.50. Hope to see many people join in the fun. Thanks Debbie

Tips: For Preparation

By Peggy Harris

**Tip:** If transfer lines cannot be removed with an eraser, remove them with a cotton swab or brush and odorless thinner, When working with acrylics, rinse the area with water after using thinner,

**Tip:** Realize that masking the edges of your painting with brightly colored painter's tape ( blue, purple, green) will greatly influence the painting process since COLOR and VALUE are ALWAYS relevant to those that surround them (an oftentimes totally clash with the painting). Use clear or neutral tapes to avoid this problem.

**Tip:** For the greatest accuracy, always cut tracing and transfer paper down to the same size or smaller than the painting surface. Papers hanging off the edges inhibit accurate placement and shift easily. Secure with tape in two places.

**Tip:** To transfer teeny objects (like bugs), carefully ink the design on tracing paper, turn over and carefully trace the inked design with a soft pencil. Place the inked side up on the surface and transfer using a small stylus. This will be much more accurate than using transfer paper which adds another layer between you and the design!

**Tip:** When painting animals, choose white transfer paper when possible. If white will not work, use gray. Colored transfer papers (especially blue) are not a good choice as the color mixes into the fur color as you paint!

**Tip:** To fill the very rough cross grain areas of wood which show up on the blunt end of wood or on beveled wood edges, paint on wood filler that has been thinned with lots of water so that it soaks into the rough grain. Dry and repeat several times or as needed. (un-thinned filler tends to ride atop the rough wood and flakes off immediately when sanded. The watery filler will soak down into every pore and be solidly smooth.)

**Tip:** Undercoat lampshades with black paint to prevent light shinning through the surface and illuminating every stroke and blotch.

**Tip:** Transfer paper is not meant to be used "as is" directly from the package. Always wipe the excess off the back with a soft paper towel before first time use. This avoids harsh transfer lines and hard to removes smudges on your surface!

## Holiday Boutique

Painting is in the air, brushes are raised for the Quail Egg Exchange and the Fair. Keep those brushes moving for the 2016 Holiday Boutique. Mark your calendars for Friday, Oct. 21, and Saturday Oct. 22.

Tables will be sold and assigned starting August 1.

The 2015 was a huge success due to the hard work put in by all shoes who participated. The only requirement is that the items be hand made. If you feel you cannot fill a table by yourself talk with friends and share a table. We look forward to seeing returning and new crafters.

Any questions???

Please contact Becky Bolding or Rosanne Scholey

## 2016 DQT Christmas Party

The 2016 DQT Christmas Party will be have contacted several caterers and will be on December 6, 2016, 6:00—9:00 pm. We have contacted several caterers and will be making a final decision soon regarding the food. Our theme will, once again, be “Turn on the Twinkle!” We still have **ONE** more table available for a member or two to decorate. If you are interested, please contact Carol Whitton (760-954-6533) or Jo Anne Goodsell (714-331-4765). Those who do serve as table hostesses will be provided up to two event tickets per table as a Thank You.

The Christmas Party Committee is also looking for painted pieces that we could include in our event’s raffle. If you have an item or two you would be willing to donate for this purpose, you may give them to either Carol or Jo Anne at any time.

We will keep you updated as we have more information to share!

Hello again everyone. This is the FAIR NAG calling. The Fair books will be out in time for me to bring them to the March meeting. Be looking around and thinking about all the things you can enter in the fair. Anything you have painted in the last year in class or at home! We just want to show off the work we do.

We always have such a pretty display and remember you can be a beginner, painted a few years or an advanced painter or even a professional painter. There are lots of classes in each division and you might find yourself the winner of the \$25. prize.

So start checking your projects for the past year and be ready to enter. It only cost a couple dollars for each entry!

Thanks---Jane the Fair Nag
