PRESIDENTS MESSAGE—Janet Mitchell

Well it's September and to me that is the start of fall. Hopefully cooler weather is on the horizon.

I want to thank everyone for helping with our seminar-Jane, Judy, Diana, Rosanne, Cathy, Pat Deb & Bill Ramo. I think this was another very successful summer seminar and everyone did so well-the projects looked great and it is fun to see what everyone painted on. Lynn is such a great teacher and though her projects look detailed it really is easy.

Next month is our yearly boutique so start painting to make some extra money or baking for our Granny's Pantry. November is our elections so step up and volunteer and then December brings our wonderful Christmas party.

I'm off to Texas for a week so I will see you all at the meeting. Oh and don't forget our November meeting is **ONE WEEK EARLY –NOVEMBER 15 DUE TO THANKSGIVING**

BOUTIQUE NEWS

There is still time to get a table or two, or even a half a table at our holiday boutique.

Friday, Oct. 21 from 9 to 4

Saturday, Oct. 22 from 9-3. Set-up is Thurs. from 4-7.

At Community Church at Jess Ranch on Apple Valley Rd., A.V.

It is \$35 for a table or \$17.50 for half for members.

It is fun and hope if you don't care to sell, you will come help. I really **need some extra helpers** this year as we have expanded. You can be a floor walker-someone who greets the customers and offers to put their purchases on the "hold/sold" table while they finish shopping. We also need people to demonstrate the love of painting. Help with the "welcome" and "raffle". There will be sign-ups sheet at the Sept. meeting or you can call me or Rosanne to sign-up. Thank you so much for supporting your club.

Remember you can just come and shop too. We have many wonderful people with all sorts of thing to sell at the boutique including painted items.

Thank you Becky-760-247-2285 or Rosanne 626-379-3771

2016 DQT Christmas Party

The 2016 DQT Christmas Party will be held on December 6, 2016, 6:00 - 9:00 pm. Our theme will, once again, be "Turn on the Twinkle!" We will also be highlighting DQT's 25th anniversary during the evening. Tickets this year will be \$15 a person.

Looking ahead,.. the Christmas Party Committee plans to have a spectacular DQT raffle this year. If you have a painted item at home that you would be willing to donate, you may bring it to any DQT meeting and give it to Carol Whitton or Jo Anne Goodsell through November 2016. Raffle items that need to be painted or require some TLC will also be available at the meetings for members to take home and finish. Do you already have a hand painted ornament for the Ornament Exchange? This has always been a fun activity during our Christmas Party. Don't miss out and get to painting if you still need one!

A big THANK YOU goes out to all the members who have graciously volunteered to be table hostesses. They are working hard to create beautiful tables for all to enjoy during the evening.

How to Use Maxx Gloss

Test an inconspicuous spot to ensure that adhesion occurs and no surface primer is required. If desired, sand surface to remove any imperfections for smoothest finish. No priming or sanding required on sealed surfaces. Clean object thoroughly. Stir paint; do not shake. Apply with a quality, soft bristle brush in multiple, thin coats to prevent drips and runs on vertical surfaces. Immediately smooth out drips. Let dry to the touch between coats. Allow 14 days to cure fully. Soap and water clean-up. One 8 oz jar covers approximately 35 square feet on sealed surfaces.

TO USE ON RAW/UNFINISHED SURFACES

Seal the surface first with one coat of **Multi-Purpose Primer & Sealer**, and let dry. Sand the surface with fine grit sandpaper. Remove dust with a slightly damp cloth. Apply a second coat of sealer and let dry. Use a small piece of brown paper bag to "sand" the surface until smooth. Wipe with cloth. Use a good quality, soft-bristled brush to apply a thin coat of Americana Decor Maxx Gloss. Let dry to the touch. Repeat paint application until desired sheen is achieved (usually 2 to 3 coats).

Avoid overloading brush or overworking paint.

Load brush to a medium thickness to get a nice, leveled look. If it is too thin, brush strokes will show.

Maxx Gloss is thinner than most paints, so take caution on vertical surfaces. Leave surface flat as long as possible to prevent drips.
