PRESIDENTS MESSAGE—Janet Mitchell

Wasn't Tammy's class fun last month! I have the perfect outfit to wear my necklace with. Thank you Programs for another great monthly project. March started out with hopes of Spring on the horizon. The days got a little warmer and my fruit trees started blooming and then it got cold again and windy, what's the old saying " March comes in like a lamb and leaves like a lion" well it definitely went out like a lion. I'm hoping April will warm up and I can get the veggie garden planted.

At the March meeting we started taking sign-ups for the Laurie Spletz Summer Seminar. Laurie is a GREAT teacher and though his designs may look easy there is so much technique in them. You will be using stamps and stencils along with regular painting. Laurie is so full of helpful hints and tips that you won't want to miss this seminar so sign up today. Speaking of Summer Seminar we are looking for monitors for the two days- work one or both and we are looking for donations for the raffle for both days.

The days are flying by and before you know it –it will be Christmas. But before we get to Christmas we have the county fair coming up so get those projects ready to submit. We like to have a good showing of our art and want to prove to the fair that we need to have the display to showcase all of your talents. The California State Fair only had a handful of entries in the Decorative Painting field and there is a possibility that they will eliminate that category in the future so don't let that happen to our fair. Next on the calendar is our annual boutique that Becky and Rosanne are busy working on and all of you should be painting for it to make extra money for the holidays or baking for Granny's Pantry. The Raffle committee is busy working on the raffle items that will be raffled off at the boutique so take your tickets when given and sell them please. The Christmas party committee is working on another great party to end the year for us. They are looking for hostess to decorate the table and the sky is the limit for your ideas so consider grabbing a friend and volunteering to host a table.

See you at the April meeting.

Janet

APRIL PROJECT

Butterfly Zentangle Bag

Tuesday, April 25, 2017

*** ALL AVAILABLE PROJECTS HAVE BEEN RESERVED. A WAITING LIST WILL BE ESTABLISHED ***

Come join our very own, **Barbara Underwood**, who will teach a beautiful butterfly zentangle on a canvas tote. A ten-year member of DQT, Barbara has been painting since 1990 and was “hooked” after taking her first acrylic class! Barbara generously shares her talent - teaching occasionally for various chapters in our area. Did you know that Barbara didn’t learn to paint until after she lost the vision in her left eye? In 1984, she was diagnosed with M.S. In her own words, “I don’t have the progressive kind as most others do. I am fortunate in that matter and count on each day as a blessing.”

Sign ups for this project will be accepted through April 17, 2017 or until 26 spaces are filled. The following people have signed up as of **March 29, 2017**: Becky Bolding, Betty Busby, Pat DeLa Pena, Louisa Froelich, Rose Gardner, Jane Haggard, Marilyn Hinman, Linda Howard, Cathy (Duke) Immel, Nancy Justice, Annette Lamarre, Paula Maldonado, Judy Mountjoy, Michelle Murray, Donna Nelson, Dorothy Patton, Karen Paul, Debbie Ragains, Jerilyn Sosso Rossi, Nancy Schatz, Catherine Schinhofen, Rosanne Scholey, Kim Latham Tamiazzo, Debbie Tellez, Diana Van Riel, and Carol Whitton.

If you would like to join us to paint at the meeting and are not listed above, please contact Diana Van Riel, Co-1st Vice President, via email dees55@verizon.net or phone 760-240-0068.

HOSPITALITY

This month Judy will be bringing a Ham, please bring side dishes or deserts, that will go with our Easter celebration

Remember– Give a copy of the recipe to Cathy Duke for our upcoming Cook Book.

What a wonderful turn out for our Easter Egg Exchange, Thank you Ladies for the Beautiful painted eggs. Our top 3 egg winners were: Becky Bolding (1st) , Cathy Duke (2nd) and Carol Whitton (3rd.)

DECO ART - A modern, global company needs to reflect its diverse consumer base. With this in mind we are changing some of our color names to better reflect the inclusivity our company embodies. Don't worry, the only thing changing is the name of the color, the same high-quality product will be in the bottle with the exact same formula that has been used for years. The following four colors will be transitioned to new labeling over the next several months so you will be seeing them on store shelves in the near future:

- DAO78-3 Fleshtone will become Warm Beige
- DAO24-3 Hi-Lite Flesh will become White Peach
- DAO137-3 Shading Flesh will become Deep Blush
- DCA09-3 Flesh will become Natural Beige

Summer Seminar

Summer Seminar with Laurie Speltz is coming! We have started taking signups and currently have 29 members signed up for our seminar with Laurie. We sent out our flyer to other chapters, but if you are interested in attending please send your payment and form to Beth. The projects may look easy to you but the wealth of info and techniques you gain is amazing. Laurie is full of surprises, tips and techniques and her classes are wonderful so sign up today.

We are also looking for monitors for each day. 2-3 a day. By being a monitor you will receive the pattern and instructions for the day you monitor and a goody bag too. Monitors help set up/clean up, help with the meals and just help out. You will be able to see and listen to Laurie teach also.

Brush-up on Classroom Etiquette

With our Summer Seminar coming up it seemed like a good time to review our behavior to assure all attendees get the most out of each monthly meeting and seminar.

We all like to socialize a bit, but do not talk when the teacher is talking. Others around you need to hear what the teacher is saying.

Be on time. In your seat, ready to paint when the teacher begins. It is discourteous to the teacher and those around you to drag in your bags and set up after class has begun

Turn your cell phone **OFF** if possible but definitely on **“silent”** and step outside the room **Before** you answer or make a call. Remember how much more you got from a class years ago when no one had a cell phone?

Be mindful of those around you. Don't allow your painting area to overflow into other painter's space. Make sure your totes and bags are not spilling into the aisles so that people (especially teachers) can move through the rows.

You may be sitting with an experienced friend or your regular teacher and it is perfectly fine to ask her an occasional question. However, you (and those around you) have paid to learn something from the one at the front of the room and you can't do that if you are talking over the teacher.

Most of the old rules still apply - think how you would like to be treated if you were the one teaching the class and act accordingly

Motion made by Beth Murena and seconded by Marilyn Hinman to adjourn at 8:30. Meeting adjourned

It is time to put together all those newly painted items to show people all the beautiful things we paint. This also helps advertise our Boutique in October. The Fair managers have added a couple new classes this year. We have Novice (painters who have painted less than 3 years). Intermediate (painters who have painted more than 3 years but less than 10). Advanced Painters that have painted more than 10 years and Professional (Painters that try to earn a living on their painted items). There is a new class **Fabric** so they do not have to compete with our wood or metal projects. Entries must be received at the Fair Office by **April 14** and you can register on the computer at www.sbcfair.com. Late entries will be accepted until April 17th but you will pay a double entry fee.

Entries will need to be delivered to the Fair on May 1st. Remember if you have a problem with that date let me know and I will help you. The Fair runs from May 20th through May 29th. Hope we can put on a nice display.

Glass Stain

Information from DECOART Website

DecoArt now has a transparent stain for using on glass or plastics. This is a high quality stain that can be used on ceramics also. There are 12 colors to use as you create your design. Each color dries to a glossy finish.

As you prepare your surface, wash the surface with hot soapy water. Remove any stickers or price tags that are on the glass. It is best if you remove all soapy residue with warm water and dry with a soft lint free paper towel or cloth.

As you prepare to paint your glass be sure to leave it clear of fingerprints or smudges. It would be best to wipe it with rubbing alcohol to clean the surface of any residue.

You can use the stain for **Leading** by using a brush or the tip of the bottle. It is best if you use a consistent pressure to make a thick line while leading. Let this dry for 24 hours on a flat surface.

As your fill in the spaces be sure that the stain touches the leading and the section that you just stained is covered because as the stain dries it may pull away from the leading. You can mix the colors with a toothpick to make an interesting affect. Try adding drops of stain in a certain area and using toothpick swirl the colors together.

One of the best things is that cleaning up is easy. While there may be some paint that you may want to remove just use a wet brush, toothpick or paper towel to gently wipe off the excess wet paint. You can also remove a large area of wet paint by soaking the item in warm water. If the paint is dry you can use a razor to scrape or trim the imperfection.

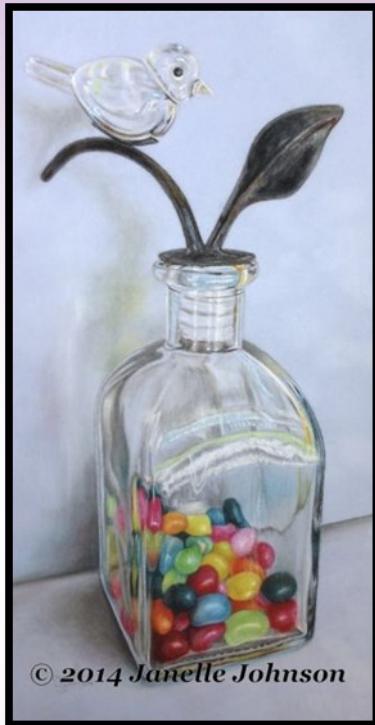

However, this stain is not t be used where there is direct contact with food. This stain makes beautiful sun catchers and colorful designs.
